

OAI-426 Sedan Trawler Yacht

SPECIFICATIONS

Length Overall:	_____ 44' 3.29"	13.50m
Beam:	_____ 15' 4.64"	4.69 m
Length of Waterline:	_____ 38' 10.53"	11.85m
Draught (approx.):	_____ 4' 3.57"	1.31m
Fuel Capacity:	_____ 720 US Gal.	2725 litres
Water Capacity:	_____ 320 US Gal.	1210 litres

Built to ABYC and ABS as standard

STANDARD EQUIPMENT

MECHANICAL

- * Single or dual Cummins 210hp Diesel engine complete with engine instrumentation gauges at each helm station including key start (lower only) and engine overheat & low oil pressure alarms. Dual engine configurations available.
(Trim tabs fitted as standard for engines above 2 x 150 hp.)
- * Groco internal sea water strainers.
- * Racor fuel filter unit for main engine.
- * GRP drip pan under main engine.
- * Stainless steel or Aquamet propeller shaft 1.75" (44.5mm) turning inside two cutlass bearings.
- * P.Y.L. Dripless stern gland for engine shaft 1.75" (44.45mm)
- * Bronze underwater brackets with Cutlass bearings.
- * Three bladed propeller.
- * Rudder fibreglass blade/stainless steel shaft.
- * Hydralift wet box muffler with built-in drain cock.
- * Vernay exhaust tubing.
- * Hydraulic steering system.
- * Engine room Jabsco 12V DC 3" blowers & natural air intake vents.
- * Superior engine room sound proofing material with perforated aluminium fascia and hatch seal.
- * Two 12V DC 2000 GPH electric bilge pumps with float switches and manual/auto switching electrical panel. (2)
- * Manual bilge pump.
- * Fuel management system including by-pass and dedicated fuel shut-off valves.
- * Fuel tanks #316 welded stainless steel with two hand-hole clean out ports, sight gauges, sump and breathers (2).
- * Water tank #316 welded stainless steel with sight gauge, breather and hand-hole clean out ports.
- * Morse engine throttle & gear box control system at main helm station: model MT3 single.
- * Sea cocks on all through hull fittings at or below water line. (Double hose clamped).
- * 12 gallon 120/240V AC dual heating hot water heater tank system.
- * Jabsco, Johnson or Raritan 12VDC electric pressurized fresh water pump ± 3.8 GPH flow rate with accumulator tank.
- * All through hulls at or below waterline are double stainless steel hose clamped.

HARDWARE

- * Stainless steel anchor roller assembly.
- * Stern and mast head flag-staffs in teak with stainless steel base and lock nut.
- * Cleat 12" Heavy Duty type – 2 bow, 2 midship, 2 aft in stainless steel (6), with chocks or fair-leads.
- * Deck hatch over each cabin.
- * Windows are aluminium framed with insect screens. Selected windows slide, forward saloon opens.
- * Stainless steel rub rails.
- * Port lights-7 Gebo aluminium in hull with insect screens.
- * Radar arch, hinging stainless steel with spreader lights and provision for RADAR.
- * Door locks on all saloon doors with keys.
- * Horn 12V DC – mounted on main cabin roof: switch located at main helm.
- * Ladder from cockpit to flybridge, stainless steel with teak step pads.
- * Hatch to flybridge, hinging with lock bolts.
- * Deck rails – 1.25" stainless '316 steel' tubing.
- * Flybridge helm seat.
- * Transom, Port and starboard gates with step plates, aft gate with hinging door.
- * 12V DC Double arm wipers to port, midship and starboard front windscreens with fresh water wash-

down system.

- * Aquasignal international navigation lights.
- * 12V DC accommodation ceiling lights throughout, recessed into headlining.
- * Brass 12V DC reading lights in owners cabin with individual switches (2).
- * Engine room and lazarette 12 VDC overhead lighting.
- * Cabin door locks in stainless steel.
- * Transom hot and cold water shower.

ELECTRICAL SYSTEM & COMPONENTS

- * Diesel generator 7.6KW 120 VAC 60Hz or 5.7KW 240 VAC 50Hz, complete with sound shield, muffler & fresh water cooling & separate 150 AMP hour starting battery in FG battery box.
- * Two heavy duty 200 AMP hour engine starting & lighting batteries in fibreglass battery boxes with lids.
- * Batteries in parallel for starting.
- * Customized electrical panel utilizes circuit breakers and is fitted with a ship to shore switch, back lighting, integrated AC and DC volt/AMP meters, polarity indicator light and concealed behind a lucite door.
- * All wiring colour coded & numbered.
- * All cables run in conduit with sufficient spare space to allow for additional services.
- * Automatic battery charger.
- * Engine hour, volt and water temperature meter at helm station. Key start in engine panel set including back lighting.
- * Stereo speakers in each cabin with TV wiring to overhead location.
- * Electrical outlets to galley and each cabin.
- * Ship to shore 30 AMP dock side inlet fitting mounted aft starboard side at deckhouse, includes integrated galvanic isolator.

FLYBRIDGE

- * Helm station offset to starboard with helm seat.
- * "L" shaped settee to port with fixed table.
- * Bench seats with table. Vinyl cushion with closed cell foam & mesh backs on seating.
- * All seating with ample storage under.
- * Storage in Flybridge brow.
- * Centre of flybridge folds down for access to foredeck with dedicated stainless steel rail.
- * Non skid deck.
- * 26" stainless steel "Destroyer" type steering wheel.
- * Clear plexiglass windscreen with stainless steel grab rail.
- * 12V DC outlet for accessories.

COCKPIT AND SIDE DECKS

- * Settee dock box on port side fitted with cushion.
- * Hinged double hatch set to lazarette with gas stay and drainage channels.

SALOON

- * Built in "L" shaped settee lounge complete with ice-box plus storage space under, plus additional settee to starboard, also with ice-box.
- * Bar with bottle and glass storage cabinet with refrigerator under.
- * Teak & holly sole.
- * Daily hatch access to engine room with ladder and gas stay.
- * Helm station with steering and controls, plus engine instrumentation.

- * Helm seat with fixed drawers under.
- * Overhead electronics locker.
- * Access door to port, starboard and aft.
- * Overhead teak grab rail.
- * Overhead lights 12 volt DC.
- * All furniture & bulkheads are golden Burmese teak in satin finish.
(* Optional Hi-lo or Yacht Table.)

GALLEY

- * Teak galley unit with Corian counter top and splash back.
- * Seaward Princess 3 burner gas stove with oven and Xintex SA-2 gas alarm monitor panel set.
- * Trash bin with side deck access door.
- * Stainless steel sink with cover & single lever swivel type faucet.
- * Norcold 541 flush mount series under counter 12V DC or 120V/240V AC refrigerator/freezer unit.
- * Cabinet with shelves under counter, plus overhead dish and cup locker.
- * 12V DC 3" electric exhaust fan above stove with stainless steel plate.
- * Overhead lights, 12 VDC.

MASTER STATEROOM

- * Island bed with 4 drawers fitted under.
- * Side shelves with bin storage under.
- * Wardrobes with auto light and door lock.
- * Teak and holly sole.
- * Teak bulkheads & furniture.
- * Mirror.
- * Overhead lights 12 volt DC.
- * Headliner of white acoustic vinyl.
- * Swivel reading lamps 12V DC .
- * Overhead lights, 12 VDC.
- * Access to chain locker.

GUEST CABIN

- * Double berth arrangement with foam mattress. Drawers under.
- * Wardrobe with hinged door and internal light.
- * Teak bulkheads.
- * Teak and holly sole.
- * Headliner of white acoustic vinyl.
- * Reading lamps brass 12V DC.
- * Ceiling lights 12 volt DC.
- * Skylight with night cover fitted in ceiling.

HEAD /SHOWER

- * Shower stall with bi-fold door.
- * Shower sole white ceramic tiles with automatic sillage system.
- * Bulkheads covered with white or selected formica.
- * Vanity unit with stainless steel or ceramic wash basin and moulded counter top with splash back.
- * Single lever shower. Sink hot and cold fresh water faucets
- * Teak & holly sole.
- * Mirror.

- * Jabsco electric macerator head.
- * 12V DC 3" exhaust fan.
- * Moulded finish head lining & bulkheads.
- * Overhead lights 12 VDC.
- * 20 gal moulded type holding tank with Y-valve located in engine room with Jabsco macerator pump, deck discharge outlet & remote "Full" display panel in master head.

MISCELLANEOUS

- * Teak cap rails & trim. Minimum 5 coats of gloss marine varnish.
- * Teak yacht name plate and hailing port board.
- * Hull bottom anti-fouling paint.
- * Emergency tiller (single engine only).
- * Aft deck rope and storage locker.
- * Aft deck seat with cushion and storage under.
- * Owners' manual.
